

## **School Sport Premium Funding**

The Government are spending over £450 million on improving physical education (PE) and sport in primary schools over the 3 academic years 2013 to 2014, 2014 to 2015 and 2015 to 2016. This extra funding is being jointly provided by the Department of Education, Health and Culture, Media and Sport and will see money going directly to primary school head teachers to spend on improving the quality of sport and PE for all their children. The sport funding can only be spent on sport and PE provision in schools.

### **Purpose of funding**

Schools have to spend the sport funding on improving their provision of PE and sport but they have the freedom to choose how they do this.

For example, possible uses of the funding can include:

- hiring specialist PE teachers or qualified sports coaches to work alongside primary teachers when teaching PE lessons
- supporting and involving the least active children by running before or after-school sports clubs and holiday clubs, e.g. the Change4Life clubs
- providing resources and training courses in PE and sport for teachers
- running sport competitions or increasing pupils' participation in the School Games
- running sports activities with other schools

### **How will we be spending the Sports Funding and who will benefit?**

The Governors and the Leadership team agree that the money must be used so that all children benefit regardless of their sporting ability; that the most able children are given the opportunity to compete in advanced tournaments; that staff have access to training opportunities and continued professional development; out of hours sporting activity is subsidised in order to support all the families.

Below is a breakdown of where our Sport Premium Grant will be spent in 2016-2017 and what provision it will help to develop at our school. Towards the end of the year, we will evaluate the impact of the sport premium spending.

## Sport Funding 2016/2017: £8900

Objective	Provision	Cost	Impact
To improve the quality of PE teaching and learning across the whole school.	Hire a specialist coach (Walsall FC) to deliver quality PE lessons across the whole school (Rec to Y6). Work alongside teaching staff to provide CPD; developing their skills and knowledge of PE/Games concepts.	£3745
