Dear Parents

20 March 2020

We would like to update you on our arrangements for school openings for the foreseeable future. As you are aware school will be open for children of 'key workers', vulnerable children & children whose parents are unable to work from home or who will suffer financial hardship by having to stay at home because of childcare commitments. School will open at the usual time of 8.50 am & will close at the children's normal home time. There will be no after school clubs running albeit that the breakfast club will be running as normal.

Children who are coming in to school in years 3, 4, 5 & 6 will need to bring a packed lunch or they will have the option of purchasing either a hot meal or a sandwich unless they are entitled to free school meals whereby a meal will be provided as normal. Children in Reception, Years 1 & 2 will also receive a meal as they do now.

Children who will **NOT** be attending school but are entitled to a free school meal can call into the school from 11.30 am each day to collect a packed lunch. **This does not apply to all children in Reception, Year 1 & Year 2 - only children whose parents are in receipt of benefits & are entitled to FSM from an economic aspect.**

We are hoping to set up the option for parents to receive a food voucher instead of a packed lunch but we will let you know once this is available. **May we please ask for you to complete the slip below if you do require a packed lunch for your child or ring the school office to place your order.**

Many thanks for your ongoing support at this difficult time - please all keep safe & hopefully we will see you all as soon as possible.

Yours sincerely

Mrs R Patel

**PACKED LUNCHES**
