

Nursery Newsletter : Summer 2 2021

Welcome back after the half term break! We hope you all had lots of fun together and we look forward to hearing all about it!

Our focus this term will be on the development of Summer: What it looks like and the many changes that occur at this time of year, and we will also begin to consider the question "Why is water wet?". Children will have lots of opportunities to learn about the properties of water, what it feels like and what it can be used for. We will also be learning about where water comes from and about creatures who live in and around water.

This half term, in order to develop language children will receive a 'verb of the week'. This is a way of introducing your child to a wide range of vocabulary. Throughout the week we will practise speaking this verb at school and we ask for you to continue this at home. There is no requirement to write this weekly verb, it is a speaking exercise.

Young children need lots of physical movement, so we will aim to be outdoors learning in all types of weather. Please ensure your child has a pair of wellies in school that are clearly labelled.

During the warmer weather, sun cream needs to be applied to your child before they come to Nursery. Children will have limited time in direct sunlight on very hot days. It is important that children have appropriate labelled clothing (e.g. sun hat) and water bottles on these days.

If you have any questions or would like any more ideas on how to help your child progress on their learning journey, please do not hesitate to contact a member of the team via telephone.
Mrs Brookes - Nursery Class Teacher
Mrs Rosser - Nursery Teaching Assistant
Mrs Tyrrell - Nursery Teaching Assistant

In Physical Development we will be using our bodies in various ways, to gain control of large and small movements and practising going over, under and through things.

In Expressive Art and Design we will be exploring a range of materials to reflect, make sense of and interpret our own thinking.

In Communication and Language we will be developing language about our immediate environment and the world around us.

In Personal, Social and Emotional Development we will be learning to show affection, care and concern towards each other and our environment.

In Understanding of the World we will be discovering various types of families and what makes ours unique.

Dates for your diary

Thursday 10th June -

Photographer

Thursday 1st July -

EYs Sports Day

(Spectators are not allowed due to Covid restrictions)

Monday 5th July -

Transition Week

Friday 16th July -

Break Up

Literacy

In Nursery we will sing songs, read stories and rhymes everyday.

Each half term we focus on books related to our class author (Michael Rosen) and those related to our current thinking. Books we will study this half term are 'The Snail and the Whale', 'Shark in the Park' and 'Billy's Bucket'.

During small group time, children will focus on key skills which enable them to become great readers and great writers. Key skills include listening, paying attention, keeping concentration and taking turns to talk.

Numeracy

In our number work we will be developing our counting skills with numbers from 1-10, exploring how to sequence (the order of numbers) and matching an amount to a given number. We will also be exploring and naming 2D shapes.

Attendance and Punctuality

The continued message is of course that 'Every Day Matters' - Every day that your child misses is a day of learning lost. Please support us by ensuring that your child attends school every day and is at the school gate ready to be collected by Nursery staff by 8:40am.

Reading

In Nursery, it is important to read stories with your child every day. This enables your child to look at and interpret what is happening in the pictures and predict what might happen next. We will send home a school reading book every week. We ask for you to complete a comment in their reading log once a week to inform the Nursery team on how your child is reading at home.

Reading books will be reviewed and changed on **Thursdays** where book bags will need to remain at school, then a new book will be sent home on **Friday**. As books can be shared at any time of the week it is very important for reading books and reading logs to be brought to school **every day**. For any reading books which are damaged or not returned to school there will be a charge.

Homework

Nursery will also receive a 'Topic Homework Challenge' sheet every half term. Your child will need to complete ONE piece of homework each week. They have been designed so that parents and children can work together on homework tasks.

We hope that you enjoy them.
